

BLESSING BAGS

2020 - 2021

PICCOLLAGE

Peru was and continues to be hit hard by COVID 19 and the global pandemic. We were over 100 days in strict quarantine and there are restrictions still in place. A medical state of emergency continues to be in effect for the nation and many families continue to struggle as the economy tries to recover.

Thanks to generous donations from churches & individuals from the USA, Peru and Australia, Hearts in Action Peru has been able to give out over 1450 blessing bags of food and cleaning items to the families of the church and the surrounding communities and will continue to do so while we can and while it's necessary.

In the jungle city of Pucallpa, where Hearts in Action Peru also has a base, over 750 blessing bags have been given out to the families of the church & also to a community that takes a 4 hour boat ride & a one hour walk to get there!! You are blessing people both far & near! What a practical way to show the love of God!!

Giving out over 2200 blessing bags is only possible because of the FAITHFUL GOD that we serve and because of your generous donations!

We need to raise around \$4300 so we can continue to give out bags through December 2021. Then we'll re-evaluate depending on the need and available finances.

THANK YOU from all of us here at **HEARTS IN ACTION PERU!**
We believe that **TOGETHER WE'RE TRANSFORMING GENERATIONS!!**
