ADVANCING TOWARDS THE GOAL

---

# LiftOff

Too many times we have seen young adults trapped by their surroundings, by their past, by what is familiar to them - poverty, chaos and limits. When all the while God has **INCREDIBLE** dreams for their future and for their destiny.

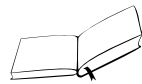

**This is why LIFTOFF was born!**

Our heart is to help young adults who want to go to college, but might not be able to for financial reasons, continue to reach for the stars and follow the dreams God has put in their hearts.

**HERE ARE OUR STUDENTS:**

# LiftOff

As any parent, we want to see them go further than we have gone, do bigger things and shine brighter than ever for God's glory.

To be able to do this for these students, we look for **faithful sponsors** who are willing to sow into the education and future of these young adults and others who are waiting. We can do this TOGETHER!

**Let's help them LIFTOFF and advance towards the goals and future that God has for them!**
